

Drive Straight® in 2016

Drive Straight®22 will raise funds to support sober driving in Ontario; and to support the ongoing efforts of arrive alive DRIVE SOBER to eliminate impaired driving. So far the tournament has raised \$680,000; and this year's goal is to raise \$50,000 (net!) to continue our efforts to prevent injury and save lives on Ontario's roads.

Held at the onset of the summer, the **Drive Straight**® Charity Golf Tournament coincides with what was once the worst time of the year for impaired driving. Teeing off at this tournament is a great way to support safe, sober driving.

This year's tourney will include:

- Grilling, mocktails, tastings, sliders!
- Most awesome Canada Day package!
- Alcohol-free/low alcohol pairings and sampling
- Latest news in impaired driving issue

Sponsorship

We gratefully acknowledge the commitment and support from our five corporate sponsors:

- Diageo Canada Inc.
- Labatt Breweries Ontario
- Molson Coors Canada
- Smart Serve Ontario
- Yamaha Motor Canada

We are grateful for the financial support from these sponsors & for their time on the Planning Committee.

Since 1999, **Drive Straight**® has been a registered trademark of Ontario Community Council on Impaired Driving and today is offered to other tournaments to bring awareness to the impaired driving issue.

The Board of Directors of arrive alive DRIVE SOBER® extends appreciation to everyone involved in making the **Drive Straight** Golf Tournament a success!

First timers at Drive Straight win extra prizes for yourself and your foursome!

FORECAST: Sunny with cloudy periods – and a high of 24 – dress for a perfect day on the links!
