

## Arrive Alive Annual Conference

Sunday, November 6<sup>th</sup> and Monday November 7<sup>th</sup> 2022  
York Region Police Association Hall, 63 Eric T. Smith Way, Aurora

*Join us* for a timely “back at it/new normal” update for road safety professionals and volunteers in the impaired driving issue. This year’s conference begins with our Annual General Meeting (AGM) on Sunday afternoon, followed by dinner and reception Sunday evening, and a day of research and program updates and panel discussions on Monday ending at 3:40 p.m. *A link for virtual attendance will be provided closer to the date.*

Our Annual General Meeting (AGM) will take place on the Sunday afternoon and will be a great opportunity for a genuine dialogue on current issues and the impact that we have all experienced throughout the Covid epidemic, the subsequent lockdowns and adjustments and a new “going forward” environment.

Sunday evening we can catch up in a casual environment with some built-in learning opportunities for us all.

Topics on Monday include: Anatomy of a Collision; Engaging Youth; Off Road Vehicles; National Perspectives; Statistical Updates and the Driver Improvement Office; Data Sharing for Road Safety; and Back to Basics. (More detail can be found on the following page).

Special thanks to our committee members from York Regional Police, Toronto Police Services, Ontario Provincial Police, York Regional Health, Ministry of Transportation, and Molson Coors Canada. We gratefully acknowledge support from Desjardins Insurance, The Beer Store, Ministry of Transportation, Smart Serve Ontario, and Molson Coors Canada.

Accommodations are available at the Holiday Inn Express and Suites just down the street (a 2-minute walk) from the conference venue. See the registration page for more detail.

---
